

## MOTOR CITIES WINNIES MICHIGAN

## JANUARY NEWSLETTER 2018

Vol. 44/Issue 1

With winter upon us, some of Motor Cities Winnies members have stayed in Michigan while others have traveled to the south (Florida and Arizona) to escape that white stuff that needs to be shoveled and to seek warmer weather. In Florida though it seems to be a bit cooler weather then last year.

The 2018 Florida RV SuperShow was held from January 16 - January 21 at the Florida State Fairgrounds in Tampa, and it's billed as the largest RV Show in the country. There were over 450 vendor booths and more than 1,550 RVs covering 26 acres. Now that's a lot of walking! Bob and Bev Garcia, Bob and Jan Ziegler, Bill Battle, Dan and Joy Stolz, and Steve and Marie Van Hart attended this event. Also, Stewart and Tammy Smith plus Butch and Becky were there working for Winnebago.

On January 22, the Florida group meet for lunch at Ford's Garage in Brandon. There were twenty members from MCW in attendance. The food was great but the company was even better.

Let's keep Miriam Tucker in our thoughts and prayers for a quick recovery from her total knee replacement on her right leg that was done on Tuesday, January 30. She came home on Wednesday, and then had a stroke on Thursday and was rushed to the hospital. The doctors found a hole in her heart and a blood clot in her lungs. She had heart surgery on February 5 to repair the hole and a few days later, Miriam will have a filter placed in her lungs.
